PEAKS MILL WATER DISTRICT'S REQUEST FOR
MODIFICATION OF THE EFFECTIVE DATE FOR THE IMPLEMENTATION OF
RATES IN THE ORDER ENTERED ON JUNE 28, 2006

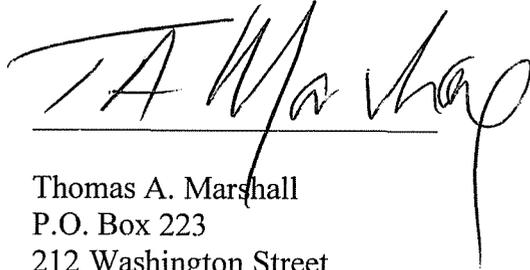

Peaks Mill Water District, by counsel, hereby requests a modification to the Order entered by the Public Service Commission on June 28, 2006, in the above-styled case.

The specific language to be modified appears in numbered paragraph 2 on page 3. There it is stated: "Peaks Mill's proposed water rates...are approved for service rendered by Peaks Mill on and after the date of this Order." Peaks Mill hereby requests that the Order be amended or modified so that rates are effective on and after July 18, 2006. The effective date would then coincide with the beginning of the new monthly billing period. This would ease administration of the rate increase, and avoid expense associated with changes to Peaks Mill's computer billing program.

This Request is made to ensure that Peaks Mill is in compliance with the Commission's Order, and to avoid any confusion that could result from the implementation of new rates through pro rating of charges to volumes of water used by

customers. This pleading is filed for the sole purpose of modifying the date of the implementation of the rates, and not for the modification of any other portion of the Order.

Respectfully Submitted,
